MARCH 2026

TEACHERS REPORT

The children have displayed all kinds of learning dispositions throughout February. From being co-learners and co-researching to building all kinds of structures and taking things apart. Setting up the environment to further nurture their play has been extremely rewarding as we watch them grow in their dispositions of being playful, caring, seeking, participating, and persisting.

SPECIAL THANKS

Thank you to our amazing and dedicated monthly volunteers. Thank you also to those who are bringing in donations of art materials, the children always make good use of these items.

TEACHERS REPORT CONTINUED..

The weather has stayed warm and we have spent a far amount of time in our out door environment.

March is National Nutrition Month and that leads to introducing our students to health and nutrition, which will play a greater role in the upcoming months. To set the stage for nutrition month our dramatic play area will be the "Corner Grocery Store."

The children will hear about being healthy, active learners through discussions and stories. Children will learn why nutrition, dental care, exercise, and getting enough sleep are important for emotional well-being, developing friendships, and becoming successful learners.

See **Canada's Food Guide** for continued support in providing healthy meals and snacks for your families. <https://food-guide.canada.ca>

AGES AND STAGES (ASQ-3 AND ASQ: SE-2) OBSERVATIONS:

We offer online reporting as families complete the observation reports at home and submit them. I will continue the review of these and forward results to parents as they are completed. Please note: This is not a report card; it is to let parents know about your child's progress and development during the year. We encourage you to stay involved in your child's everyday experiences and celebrate how well they are doing.

You can sign up at the Preschool or click the link and follow directions.

I/we are participating with others, observing what others are doing, or listening and sharing ideas and opinions, negotiating, taking turns for shared understanding or for turns. Each child participating with materials and ideas and others is a mighty learner.

CHARACTER EDUCATION

WE ARE LEARNING ABOUT "RESPONSIBILITY."

Your preschooler will meet Roy the Responsible Rabbit and be encouraged through stories, songs, and activities to:

- Do what you are supposed to do
- Keep on trying
- Always do their best
- Help friends and family

There are many ways you can help your preschool child learn to be responsible. Preschool children enjoy having jobs at which they can succeed. Helping at home makes children feel important and know they are contributing to the family.

Simple chores children can do at home include:

- setting the table, clearing their plates after a meal
- taking their clothes to the laundry
- helping fold clothes
- watering plants or feeding pets

Making a simple chart for your refrigerator may be an easy way to keep track of your family's jobs. Your child will enjoy filling in the chart while marking that a job is complete.

SPECIAL DAYS: FAMILY DAYS!

Families are invited to come join their preschoolers in class to enjoy the environment and activities. **March 23rd – 27th from 11:00 a.m. – 12:00 p.m.** We ask that you bring in something you can share from your cultural background, or something from nature. Examples: Clothing items, special dishes, coins, special rocks or wooden pieces etc.

TRIPLE P PARENTING:

Here is some information if you are interested in taking Triple P **Free Online Course.**

The program is available to all families in Alberta. Go to the below web page where they can find out more information about the program and register at no cost.
